INDEPENDENT AUDITOR'S REPORT on financial statements of Limited Liability Company “Modern Plant” for the period from 01.01.2016 to 31.12.2016

Saint-Petersburg
2017

*Independent auditor's report on financial statements of OOO "Modern Plant"
for the period from 01.01.2016 to 31.12.2016*

Independent auditor's report

To the Shareholders of OOO Modern Plant
To the General Manager of OOO Modern Plant

Opinion

We have audited the financial statements of OOO Modern Plant (OGRN 7107847073272, The Izhora factory, house №87, building 2 lit A, Kolpino, St.Petersburg, Russian Federation, 196655) (the Company), which comprise the statement of financial position as at December 31, 2016, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2016, and its financial performance and its cash flows for the year then ended in accordance with Russian Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Russia, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Russian Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Members of the board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

***Independent auditor's report on financial statements of OOO "Modern Plant"
for the period from 01.01.2016 to 31.12.2016***

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

General Manager, Partner

Contingencies of the Company in 2016

A contingency is a fact of business activities existing as of the reporting date with uncertainty existing with regard to its consequences and the probability of their emergence in future, that is the emergence of the consequences depends on whether one or several indefinite events will or will not take place in future .

There are no contingencies with the probability of decreasing or increasing economic benefits in future estimated by the Company as high in 2016.

There are no pending legal proceedings as of the reporting date having substantial significance in which the Company is a claimant or a defendant and on which judgments may be passed only in subsequent accounting periods.

There are no disputes with tax authorities regarding payments to the budget which have not been resolved as of the reporting date.

There are no guarantees, suretyships and other kinds of security of obligations in favor of third persons issued prior to the reporting date which are not payable yet.

There are no bills discounted as of the reporting date which are not yet payable by the reporting date.

There are no actions of other organizations or persons performed prior to the reporting date as a result of which the organization is to receive compensation, its value being the subject of legal proceedings.

There is no sale or termination of any line of activities of the organization, closure of any divisions of the organization or their relocation to another geographic area, etc.

There are no similar facts.

Events after the reporting date

An event after the reporting date is considered to be a fact of business activities which has exerted or may exert influence on the financial state of the cash flow or results of business activities and which took place in the period between the reporting date and the date of signing of the accounting statement over the accounting period.

An event after the reporting date is also considered to be declaration of annual dividends by the results of activities of the joint-stock company over the accounting year.

Declaration of the organization's debtor bankrupt according to the established procedure if as of the reporting date the bankruptcy procedure has already been carried out: no information available.

Assessment of the assets performed after the reporting date and evidencing steady and substantial reduction of their value: none.

Receipt of information about the financial state and results of activities of a subsidiary or associated company (partnership) the securities of which are listed at stock exchanges confirming steady and substantial decrease of the cost of the long-term financial investments of the organization: no such subsidiaries of the Company available.

There has been no declaration of dividends by subsidiaries or associated companies for the periods preceding the reporting date.

No materials have been received from an insurance company specifying the amount of insurance indemnity negotiated as of the reporting date.
